PREMIUM UPVC PIPES & FITTINGS

Bandhan pipes Pvt. Ltd. was established in the year 2018 with the drive to create innovative plumbing and drainage solutions across the country. We are performance driven, deal with integrity, packed with a hardworking team of skilled and knowledgeable professionals and ensure the best standards of products and services to our clients. Like a well functioning plumbing system, we are here to make lives easier.

Bandhan Pipes follow the ASTM D - 1785 standards of Pipes and ASTM D - 2467 standards for Fittings. The product range that we follow is ½" to 2" for Pipes and ½" to 2" for Fittings. Used for indoor and outdoor and for cold water application.

FIELD OF APPLICATION

- Residential and commercial buildings
- Public utilities, swimming pools and industrial applications
- RO and DM water plants
- Concealed, down take and terrace looping

FEATURES & BENEFITS

- Does not support combustion
- High impact resistance
- Light weight
- Safe for drinking water
- Fast and easy installation. Saves labour
